September 15th Club Picnic

Our club picnic/potluck was held at the Wayland Town Swim Beach on Lake Cochituate. The started out cloudy, but the clouds were cleared off by noon, as a nice weather front blew them away. As it turned out, we had a lovely sunny day, though the wind was a bit brisk at times.

Also present were the Charles River RCers, who were holding their Float Fly. The wind hampered the fliers a bit, as the wind was a bit gusty for the smaller planes, especially as the nice weather blew in. As result, there were only a few flights, and no need for rescue tugs. Some of the larger planes did get in nice flights, so it wasn't a total bust for the airplane guys.

We had a great turnout- we had 30 people signed up, and 27 of them attended. It was a good time—there was plenty of food to share, and lots of folks to share it with!

Johanna Okerholm sent the following pictures:

Here's a shot of the picnic area, with some of the boats on tables near the water.

Here's a shot looking from the boat area, looking down the beach. The guys at the far end are airplane pilots.

December Dinner Plans

The location for our December dinner has been made. We will be holding the dinner at the "Restaurant 45" at 45 Milford St in Medway. The restaurant is a short distance east of Choate Pond on Route 109. We have made arrangements for 25 people in a private room from 12pm to 4pm on Dec. 2nd. We'll have the room for no extra cost.

Mike Fioretti is collecting the list of who will be attending. You have until the November Meeting to sign up and pay. Cost will be \$25 per person, payable in advance by the Nov. 11th indoor meet at Medfield. Happy hour is from noon to 1pm, dinner from 1-4pm, buffet style. Make your checks payable to MMCNE or to Bob Jones.

Give Mike a break—don't wait until the last minute to sign up!
